Forecast For East of England
Issued by Met Office Exeter
at 0400 on Thursday 15 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with warm sunny spells today. Cloudier along the coast.

Today:
Low cloud and mist along the Norfolk coast will soon clear to leave all parts with a fine and dry day, with warm sunny spells developing for many. Perhaps some cloud persisting down North Sea coasts throughout, where cooler. Maximum temperature 22 deg C (72 deg F).

Tonight:
Fine and dry with clear spells for many, with some isolated mist and fog patches forming in some rural spots before dawn. Perhaps cloudier along some North Sea coasts overnight. Minimum temperature 12 deg C (54 deg F).

Friday:
Early mist and patchy cloud soon clearing to leave a fine and dry day, with plenty of warm sunshine. Perhaps a little cooler on North Sea coasts, with onshore breeze. Maximum temperature 24 deg C (75 deg F).

Outlook for Saturday to Monday:
Early mist and cloud soon clearing to leave plenty of warm or very warm sunshine throughout the period. Increasing risk of some isolated heavy showers on Monday.
